Course Description

This course is accredited by Australian Skills Quality Authority (ASQA). Access the following link for further information regarding the accreditation of this course <http://training.gov.au/Organisation/Details/45018>.

The Diploma of Business is designed for individuals with substantial experience in a range of settings who are seeking to further develop their skills across a wide range of business functions. This qualification is also suited to the needs of individuals with little or no vocational experience, but who possess sound theoretical business skills and knowledge that they would like to develop in order to create further educational and employment opportunities. In summary, this business qualification is designed for:

- Individuals aspiring to build careers requiring business competencies;
- Individuals wanting to master the essential business skills to coordinate, organise and allocate resources to meet organisational objectives;
- Those wishing to upgrade business management skills in line with current best business practice.

Recognition of Prior Learning

Elite Education Vocational Institute (EEVI) supports the national policy of recognition of qualifications and Statements of Attainment issued by other Registered Training Organisations (RTO), regardless of the location, provided that the RTO is registered to offer units of competency which exist within the qualification offered by EEVI and which may also exist in other Training Packages.

An application can be made for RPL when the student believes that they have already attained the necessary skills and competencies elsewhere (work other study etc.). An RPL application form is available from the Student Services Officer upon request.

The student will be required to provide documentation to support their application. The application will be processed and an assessment made as to the success or otherwise of the application. The student will be notified in writing of the result. The Student must sign (or otherwise accept) the 'Record of Course Credit Granted'.

C Core E Elective

Consistent with the training package rules, the units listed above will be delivered for this course. The code and title of each unit is provided. This qualification is made up of 8 units of competency.

To suit individual student needs, 75% of the course content is delivered in the classroom environment (including trainer presentations, videos, resource texts, group exercises and role play) and 25% is conducted online.

The Diploma of Business is designed for students wishing to pursue accounting or business careers in a domestic and international context.

Equipment

Students will need to do some self-study as well as assessment preparation throughout their course of study. As a result, access to a computer as well as internet access needs to be available to students (it is highly recommended that students purchase their own device to ensure that there is no limitation). In addition, EEVI has made a fully equipped computer lab, free Wi-Fi access as well as a library available to students which they can use for self-study during EEVI business hours.
