\*Any fee changes will not affect enrolled students. New fees will apply to new enrolling students.

## Assessment Arrangements

Assessment is summative and a holistic approach has been applied where possible. Evidence gathered across the qualification is a combination of observation and written reports, case studies, question and answers, self-assessments and third-party reports (if applicable).

The assessments in this qualification have been designed to include role plays and case studies to simulate a workplace environment while covering the critical elements of evidence in a variety of simulated settings.

The opportunity to assess candidates face to face provides Assessors assurance of the candidate's skills and knowledge. Further, EEVI's Academic Integrity Policy outlines the requirements to candidates regarding plagiarism and citation of sources. Candidates are required to complete a declaration in the assessment tool to this effect.

# BSB80120 - Graduate Diploma of Management (Learning) (AQF Level 8) (CRICOS Code: 103910E)

## Delivery Modes

Delivery modes comprise a blended mode of face to face and online / self-paced learning as detailed below:

- Trainer managed, face-to-face classes
- A combination of Trainer managed and monitored self-paced online learning – instructions and communication occurs through the EEVI LMS, Moodle platform
- Student self-paced unmonitored learning – activity instructions are located online in the EEVI LMS, Moodle platform. Candidates are to load responses to activities through this portal, with trainers reviewing work and providing comment to support candidate learning. Trainers undertake formative assessment.

Note: Students are expected to attend all scheduled training sessions with correct equipment, books etc. as per the timetable. Both student attendance and academic progress are monitored. Breaches of academic progress requirements are reported as per RTO Policy and student Visa obligations.

# BSB80120 - Graduate Diploma of Management (Learning) (AQF Level 8) (CRICOS Code: 103910E)

## Course Description

This qualification reflects the role of individuals who apply highly specialised knowledge and skills in the field of organisational learning and capability development.

Individuals in these roles generate and evaluate complex ideas. They also initiate, design and execute major learning and development functions within an organisation. Typically, they would have full responsibility and accountability for the personal output and work of others. Students of this qualification aim to build a career in business roles requiring:

- skills in strategic and operational planning and managing business processes.
- leadership skills in line with current best Australian business practice.

## Recognition of Prior Learning

Elite Education Vocational Institute (EEVI) supports the national policy of recognition of qualifications and Statements of Attainment issued by other Registered Training Organisations (RTO), regardless of the location, provided that the RTO is registered to offer units of competency which exist within the qualification offered by EEVI and which may also exist in other Training Packages.

An application can be made for RPL when the student believes that they have already attained the necessary skills and competencies elsewhere (work other study etc.). An RPL application form is available from Student Administration Services upon request.

The student will be required to provide documentation to support their application. The application will be processed and an assessment made as to the success or otherwise of the application. The student will be notified in writing of the result. The Student must sign (or otherwise accept) the 'Record of Course Credit Granted'.

## UNITS OF COMPETENCY

CODE	TITLE
BSBHRM613	Contribute to the development of learning and development strategies
BSBCRT611	Apply critical thinking for complex problem solving
BSBLDR601	Lead and manage organisational change
TAELED803	Implement improved learning practice
BSBLDR811	Lead strategic transformation
BSBLDR602	Provide leadership across the organisation
BSBOPS601	Develop and implement business plans
BSBSTR601	Manage innovation and continuous improvement

Consistent with the training package rules, the units listed above will be delivered for this course. The code and title of each unit is provided. This qualification is made up of 8 units of competency.

### Equipment

*Students will need to do some self-study as well as assessment preparation throughout their course of study. As a result, access to a computer as well as internet access needs to be available to students (it is highly recommended that students purchase their own device to ensure that there is no limitation). In addition, EEVI has made a fully equipped computer lab, free Wi-Fi access as well as a library available to students which they can use for self-study during EEVI business hours.*
